

## MENTOR PROJECT NON-DISCLOSURE AGREEMENT

As an authorized participant in the Mentor Project,

You have access to mentors' personal and confidential information via the [www.beamentor.org](http://www.beamentor.org) website. And as a means to access such information you are given an 'Identification Code' and a 'Password'.

The sole purpose of having access to such information is to obtain the knowledge to effectively match mentors with students. You hereby agree not to furnish any other person with this confidential information nor the identification code and password to gain access to the information.

You further agree to safeguard any and all printed versions of such information, whether it is printed from the website or forwarded to you by the Mentor Project staff, in a manner that no other person can have access to it.

For the purpose of this agreement, the word mentor means any person who is referred to you to be matched with a student whether he or she is waiting to be matched or is already matched with a student.

I have read and understand the above, and agree to abide by the policy herein in regards to the safeguarding of mentors' information.
